

Arthur Stanley House

Client
UCLH Charity

Project description

Defined as an 'Opportunity Site' in the Fitzrovia Area Action Plan (FAAP), prepared by the London Borough of Camden, Llewelyn Davies was appointed by UCLH to develop the existing property, Arthur Stanley House into a mixed use development of residential apartments, affordable housing, commercial at ground and basement levels and to seek to enhance the character of the Charlotte Street Conservation Area.

Construction is scheduled to commence in 2015 with project completion in 2017.
